LOT No	DESCRIPTION	NOTE
	<p>We're pleased that you've found the lots catalogue for this onsite clearance auction.</p> <p>There's quite limited parking in the immediate area on inspection & auction days, so an alternative is a train to Perth main or McIvor Stations & then short walk to corner of Aberdeen & Stirling Sts.</p> <p>On Collection Day (Wed 26th) we are negotiating with PCC for some extra space in Stirling St - as well as in the side yard.</p> <p>The site & the assets to be sold have been prepared by our team after a period of unoccupancy, so if you discover if you find a part that MAY have been allocated incorrectly, advise our manager & we may be able to fix it! If a part is missing, that's unfortunate. You're encouraged to use the inspection day & times to check that a lot is suitable to go BEFORE BIDDING.</p> <p>Given the layout of the building & the auction lots: If a lot requires - during extraction after payment - more than 1 person to CARRY it, you must wait until the auction ends (abt 1230). At the end of auction the glass door to Stirling Street will be opened & supervised as much as possible.</p> <p>Auction Begins in the Lunch Room to Left in Entry Corridor.</p>
