Robin R2160

Piper Navajo PA30

In September, these aircraft are to be “redistributed” to new owners – such as you (or someone you know)!

Both are well maintained but under utilised Australian registered aircraft with good periods remaining on Maintenance Releases, etc.

Located at Jandakot Airport, Western Australia

These are to be offered to genuine buyers by online auction sale, using the Grays Online platform.

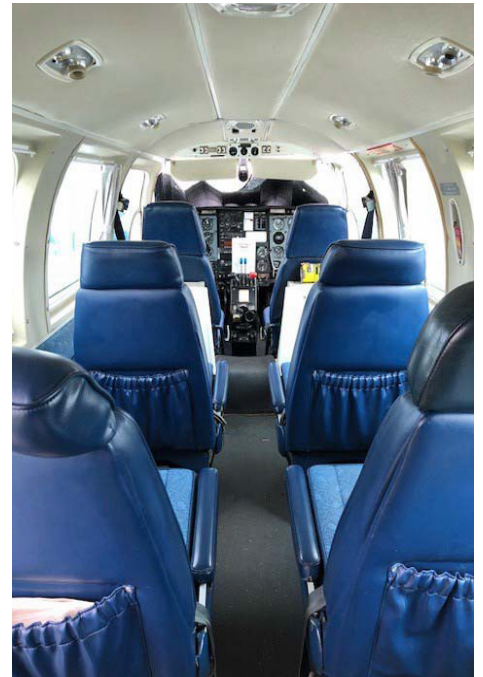

Important dates in September 2021 to note are:

- 1st Launch date online of overview details.
- 6th & 7th “Early Bird” inspection available by appointment.
- 6th Online registration and the date to start bidding.
- 14th “Beat the deadline” inspection by appointment.
- 15th Auction buyer’s bidding ceases.

Overview of basic details for each aircraft is available on line, as follows –
